**OFFER TO PURCHASE PART OF THE OUTSTANDING 8.375% SENIOR
NOTES DUE 2021 (ISIN: XS1936202644; Common Code: 193620264)**

BACKGROUND

On 15 January 2019, the Company issued 8.375% senior notes in an aggregate principal amount of US\$600 million due in January 2021 (the "**Notes**") (ISIN: XS1936202644; Common Code: 193620264). The Notes are guaranteed by certain of the Company's existing subsidiaries and listed on the Singapore Exchange Securities Trading Limited. As of the date of this announcement, the outstanding principal amount of the Notes is US\$561.4 million.

OFFER TO PURCHASE THE NOTES

On 26 November 2020, the Company made the Offer to purchase part of the outstanding Notes in cash at a purchase price of the Notes pursuant to and subject to the terms and conditions set out in the Offer to Purchase. The Company will determine, in its absolute discretion, the aggregate principal amount of the Notes to be accepted for purchase under the Offer. It is the current intention of the Company that the maximum acceptance amount (the “**Maximum Acceptance Amount**”) of the Notes under the Offer will not exceed the aggregate principal amount of the Concurrent Additional Notes Issuance, although the Company reserves the right, in its sole discretion, to accept significantly more than or significantly less than such amount, or to accept none of such Notes, for purchase pursuant to the Offer.

Purchase Price

For each US\$1,000 in the principal amount of the Notes, the purchase price of the Notes payable to the Eligible Holders whose Notes are accepted for purchase will be US\$1,008.5.

Interest Payable

Pursuant to the Offer, the Company will pay the Eligible Holders whose Notes are accepted for purchase, the accrued and unpaid interest on the principal amount of all Notes accepted for purchase pursuant to the Offer, with the interest period from and including the last interest payment date of 15 July 2020 up to but excluding the Settlement Date.

Proration

If the aggregate principal amount of Notes validly tendered is greater than the Maximum Acceptance Amount, the Company will accept tenders of Notes for purchase on a pro rata basis such that the aggregate principal amount of Notes accepted for purchase is no greater than the Maximum Acceptance Amount. Such pro rata application will be performed by accepting (in respect of each relevant tender instruction) the proportion of Notes validly tendered which is equal to the Maximum Acceptance Amount divided by the aggregate principal amount of all Notes validly tendered, subject to rounding and as described in the following paragraph.

In the event of any such proration, the Company will round downward, if necessary, to ensure all purchases of Notes will be in a minimum principal amount of US\$200,000 and integral multiples of US\$1,000 in excess thereof. However, the Company may elect to accept or reject such tender of Notes in full if application of proration will otherwise result in either (i) the Company accepting Notes from any Eligible Holder in a principal amount of less than US\$200,000 or (ii) the principal amount of Notes not purchased due to pro rata application being less than US\$200,000. All Notes not accepted as a result of proration will be returned to the Eligible Holders.

Tender Instruction

In order to participate in the Offer, Eligible Holders must deliver or arrange to have delivered on their behalf, a valid tender instruction in respect of their Notes for purchase, by the Expiration Deadline. No tender instructions will be valid if submitted after the Expiration Deadline.

Separate tender instructions must be submitted by each individual beneficial owner due to potential proration. Tender instructions will be irrevocable once delivered in accordance with the terms of the Offer.

Offer Period

The Offer was commenced on Thursday, 26 November 2020 and will expire at 4:00 p.m. on Friday, 4 December 2020 (London time), unless extended, reopened, amended and/or terminated as provided in the Offer to Purchase, in which case an announcement to that effect will be made by the Company. Although the Company has no present plans or arrangements to do so, the Company reserves the right to waive, amend, extend, terminate or withdraw the offer and the terms and conditions thereof at any time, subject to applicable law.

The Company will announce the result of the Offer as soon as reasonably practicable after the expiration deadline.

The Notes repurchased by the Company pursuant to the Offer will be cancelled and those Notes will cease to be outstanding. The Notes which have not been validly submitted and accepted for purchase pursuant to the Offer will remain outstanding. Any Notes that remain outstanding after the Offer will continue to be the obligations of the Company. Holders of those outstanding Notes will continue to have all the rights associated with those Notes.

The Company will from time to time issue announcements in respect of the progress of the Offer as and when necessary pursuant to the Listing Rules and other relevant rules and regulations.
